RULES & INFORMATION FOR CHAPTER LEADERS & ADVISERS

QUALIFICATION FOR AWARDS & RECOGNITION

There are two (2) ways to participate!

1. **MEMBERSHIP PARTICIPATION.** All paid members may participate by recruiting new members in their own chapter. Members qualify for prizes and recognition by recruiting other members. All new members count for entry into this year's program. New members may not have been a member the previous year.
2. **CHAPTER PARTICIPATION.** Chapters qualify for award recognition by recruiting new chapters. The chapters that activate or reactivate during the 2011-2012 school year will receive five free membership dues and free activation. The Chapter assisting the new or reactivated chapter will also receive five free memberships. Any Chapter reactivating may not have been active the previous year.

VERIFICATION

1. **MEMBERSHIP PARTICIPATION.** The local chapter adviser must initial next to each recruited member and sign each entry form to verify that each student is registering as a member. Entry Forms will be audited and verified by the state office. Discrepancies with state and national records will not be counted. It is the chapter's responsibility to ensure that there are no duplicated names entered into the program. In the unlikely event that a duplication or membership counting error occurs, the state reserves the right to disqualify the entry form.
2. **CHAPTER PARTICIPATION.** Chapters will pay the National Office upon registration. The State Office will reimburse the new chapter for the first five (5) paid members and the activation fee, and the sponsoring Chapter for the first five (5) members.
